Health and Welfare Enrollment & Change Guide

This user guide has been developed to assist you with registering your Elements account, resetting your Elements password, enrolling for benefits (as a New Hire and during annual Open Enrollment) and entering Qualifying Life Events.

If you need any further assistance, reach out to your local Human Resources Department or contact the Reward & Benefits Team at **610-971-3025**.

Elements

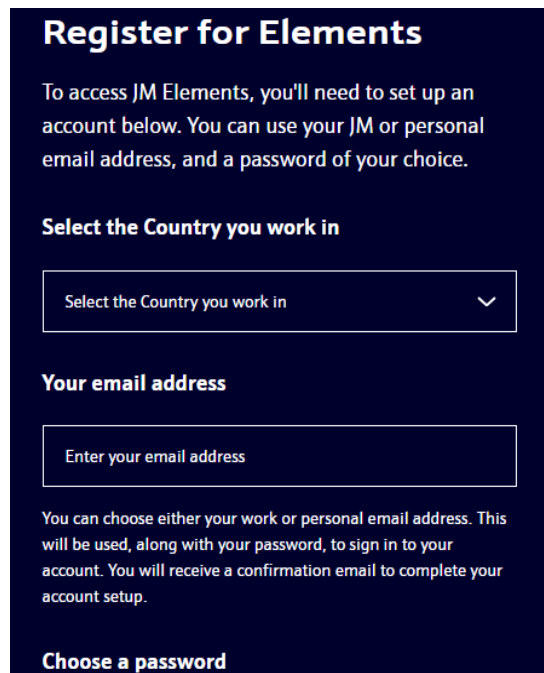

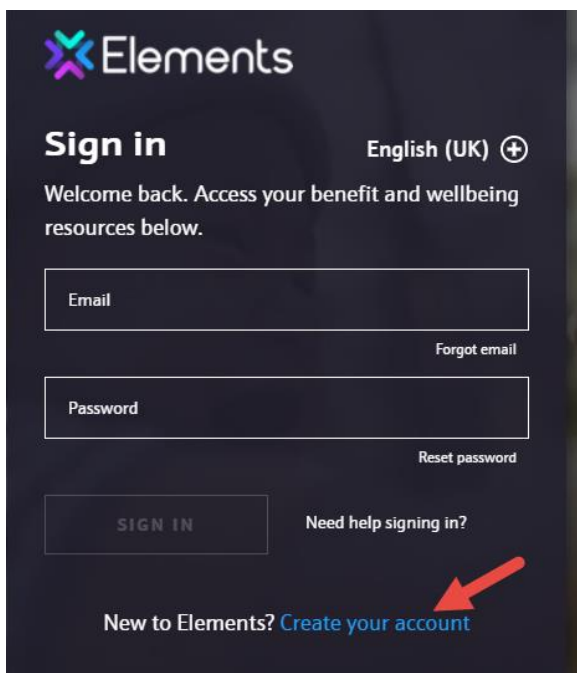

Elements is provided to JM employees as a central place to find information about the Johnson Matthey Reward & Benefits programs as well as links to our enrollment platform and vendor websites. You have access to Elements while an active employee with JM.

Registering your Elements Account

As a JM employee, you may register an account with Elements beginning on your first pay date.

From any internet connection, go to elements.matthey.com and click on “**Create your account.**” Set up your account by populating the fields which will validate your information. Click on “**Register**” when done. You may then follow the system driven instructions for setting up your preferences and accepting (or declining) the Multi-Factor Authentication (MFA). MFA is an added layer of protection for accessing your Elements account, however, it does require a mobile phone for your authentication.

Once you are registered, upon your next visit to Elements, you will enter the email address you provided as your username and password that you created during registration.

Resetting your Elements Password

If you have forgotten your password, you may reset it by clicking on [Need help signing in?](#) and then selecting [Reset Password](#). You will need to enter the most recent email address that you assigned for your username.

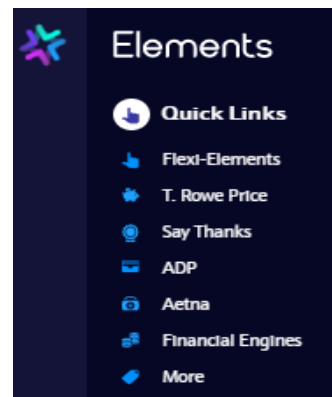

Please note, passwords must follow the IT directed requirements which may include a minimum number of characters, special characters and numeric values.

Navigating Elements

Elements has been set-up to be easily navigated. However, we have highlighted a few areas for you to help get your bearings straight.

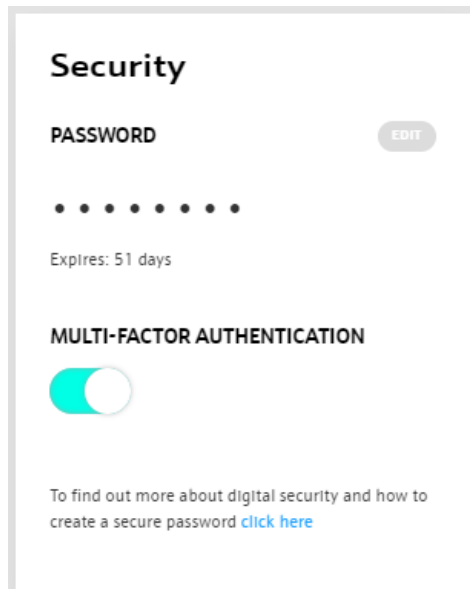

SSO Links

SSO stands for Single Sign On and provides direct access to your personal accounts with our vendors without the need to enter a username and password each time. You may be required to register or follow some initial steps when connecting via SSO the first time, but once you do, the next time you enter Elements, you will be able to click on the link and get sent directly to your account. The available SSO vendors are listed under Quick Links.

Dashboard

A personalized dashboard is available to view some personal details and manage your security. Here you can change your password and turn on the Multi Factor Authentication if you haven't done so already. The dashboard link is found on the bottom left hand side of your Elements home page. Important communications are uploaded to the Documents section of your Dashboard. You will receive an email from Elements about a specific topic and any related documents specific to you will be posted to your Dashboard.

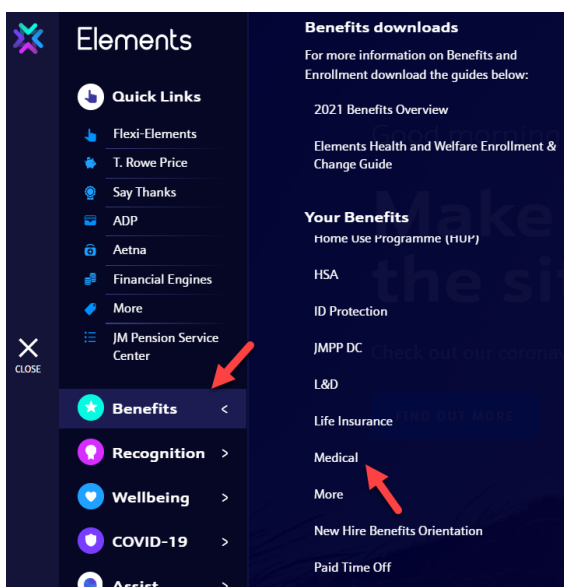

Important communications are uploaded to the Documents section of your Dashboard. You will receive an email from Elements alerting you to its whereabouts.

Vendor Contact Info

Click on Help & Support on the lower left hand menu for a listing of contact information for our vendors and Reward & Benefits Team. You can find contacts by scrolling through the page.

Benefits Content

Because Elements is your main source for Reward & Benefits information at JM, each benefit program has its own content page which provides more detailed information and any forms or summaries. By clicking on a specific benefit, it brings you to that content page. Once on that page, information is listed and you are able to click on the pdf documents with benefit summaries.

Flexi-Elements

Flexi-Elements is the online enrollment portal for electing and changing your health and welfare benefits. Flexi-Elements is managed by an outside vendor, however, your access to Flexi-Elements will always be directed through the Elements portal using our Single Sign On link.

Benefits Enrollment – New Hire & Annual Open Enrollment

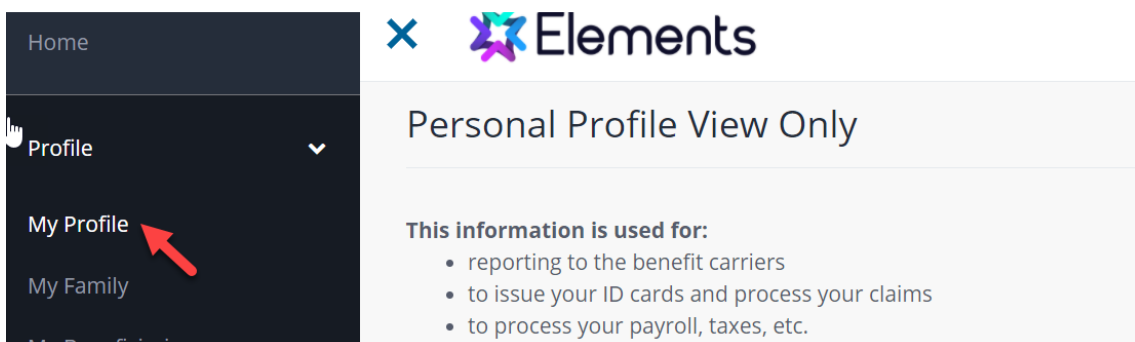

From your Flexi-Elements Welcome Screen, start the enrollment wizard by selecting the “Get Started” button.

Be sure to have the proper DOB, SSN (or ITIN), and full name for each dependent you wish to enroll in any healthcare coverage or any life insurance beneficiary before you begin your session.

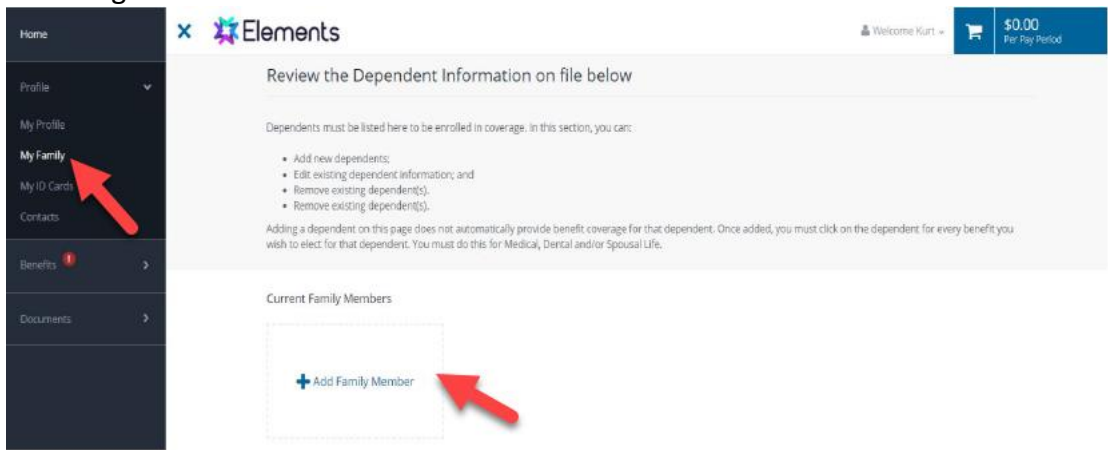

Complete the “My Profile” and “My Family” pages.

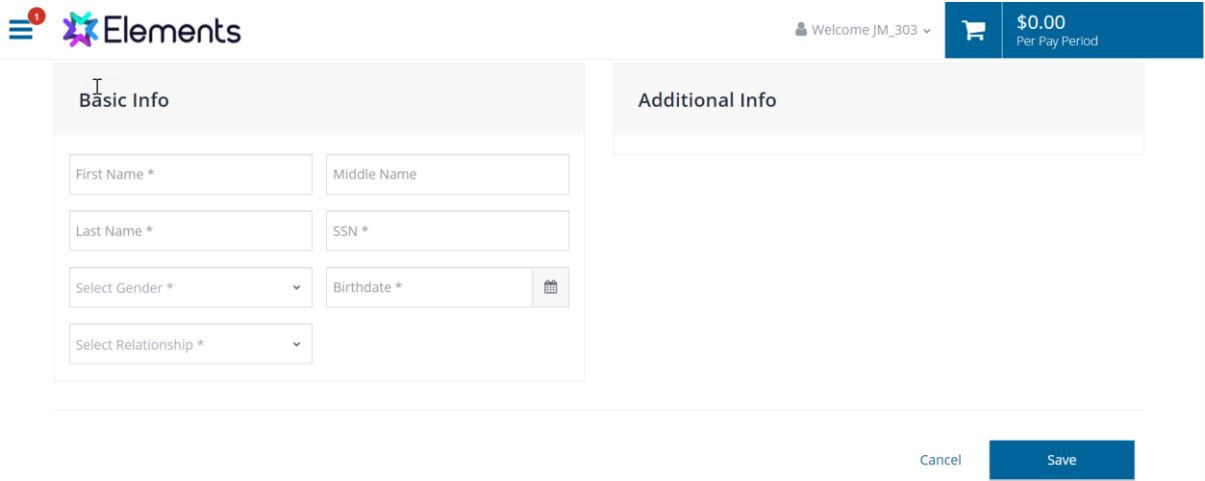

On the “My Profile” page, review your personal information to ensure it is correct. If any changes need to be made, please contact People Services.

On the “My Family” page, click on “Add Family Member” to add any dependent(s) you wish to enroll in coverage.

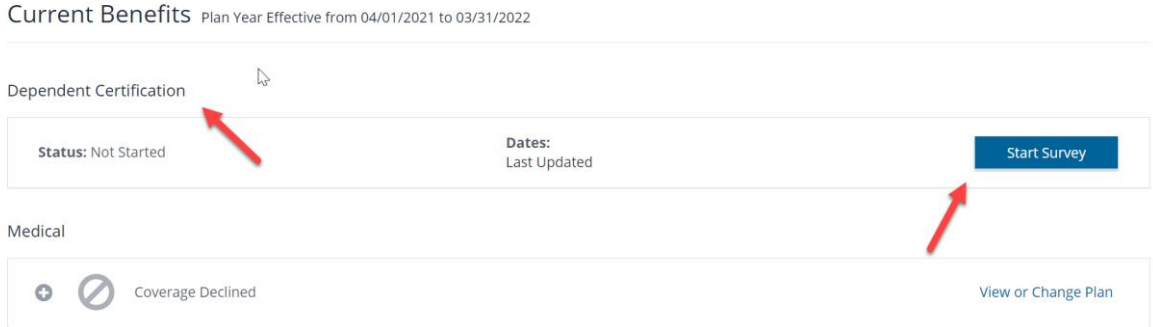

Enter each dependent’s information in the Basic Info section, click “Save” and enter another dependent, if applicable.

When done entering and saving all dependents, click “Next: Shop for Benefits” to begin electing your benefit plans.

Begin your enrollment on the “Current Benefits Elections” page.

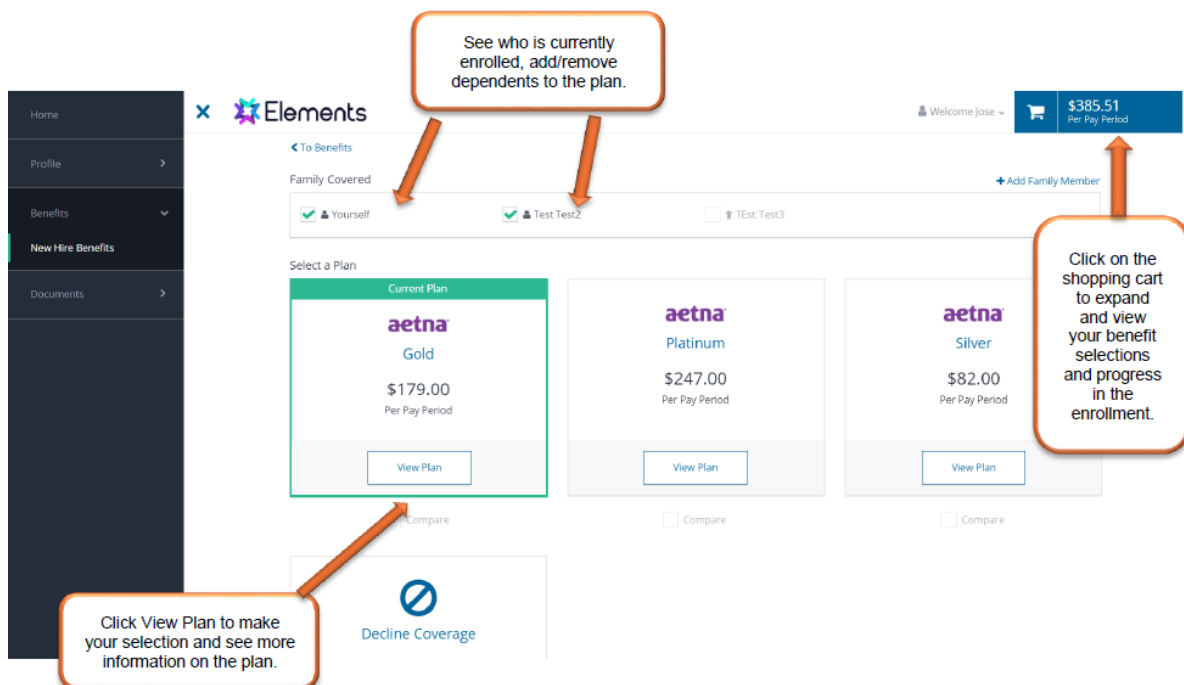

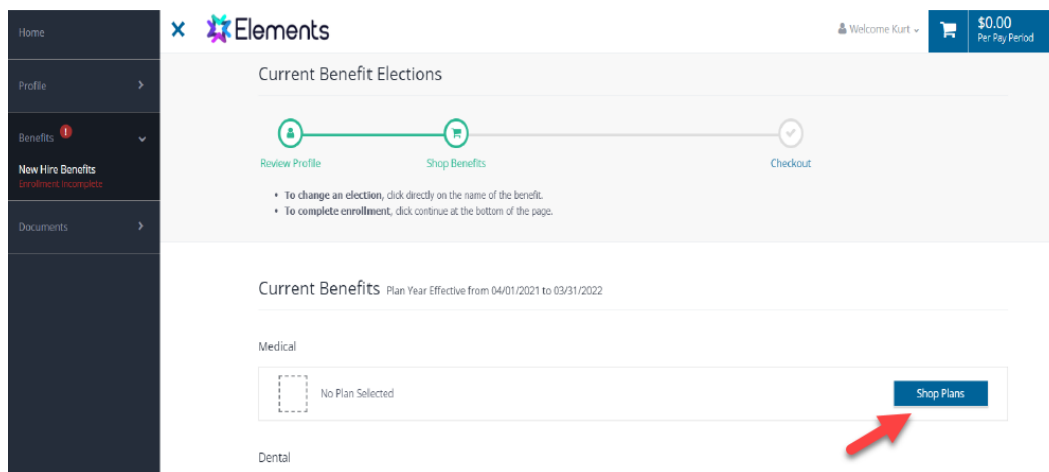

Make sure to Click on “Start Survey” so that you are able to certify each dependent.

Click “I certify” to certify each dependent. If you do not certify each dependent, you will not be able to click on their name and included them in each benefit. Click on the arrow in the blue box to proceed and then click “Save” on the next screen.

Click “Shop Plans” besides the benefit that has yet to be elected.

After clicking on “View Plan”, make sure your coverage tier is correct and click on “Update Cart”.

Review Enrollment Selections and Checkout.

Once you complete all of your benefit elections, you will land on the “Current Benefit Elections” page showing all of your elections. To make an additional change, select “View or Change Plan” beside the corresponding benefit. Click on “Review and Checkout” and then “Checkout” on the next screen (as shown directly below).

The screenshot displays the 'Current Benefits' page for the Plan Year Effective from 01/01/2021 to 12/31/2021. Under the 'Review Changes' section, the 'Medical' category is shown with an 'aetna Platinum' plan. Key details include a Par Pay Period of \$247.00, a Start Date of 07/01/2021, and Coverage Level of Employee + Spouse. A 'View or Change Plan' link is visible with a red arrow pointing to it. Below this, a section titled 'The following benefits are unchanged' includes 'Dependent Certification' and 'Tobacco Free Certification', both with 'Status: Completed' and 'Last Updated 05/18/2021'. At the bottom, there is a 'Back' link and a prominent blue 'Checkout' button with a red arrow pointing to it.

You must select “Review and Checkout” and then “Checkout” in order for your benefits to be saved. These buttons may read “Review and Confirm” and “Confirm Elections” during Open Enrollment. **If this is not done, your elections will be lost and you will not have benefits.**

After Checkout, you have the option to download, email, or print a copy of your confirmation statement.

The screenshot shows the 'Current Benefit Elections' page with a 'New Hire Enrollment!' banner. A congratulatory message states: 'Congratulations. You have completed the new hire enrollment process and confirmed your benefits.' Below this, a question 'Need a copy of your benefits confirmation statement?' is followed by a 'Send by Email' button. A progress bar shows three steps: 'Review Profile' (with a person icon), 'Shop Benefits' (with a shopping cart icon), and 'Checkout' (with a checkmark icon). A note states: 'The coverage details listed below are the current active elections on file for you and your dependents.' It includes two bullet points: 'If you believe there is an error in your statement, please contact your HR Shared Services.' and 'If you need to make changes due to a qualifying life event, please click on the Life Event link.' Below this, it says 'Click on the icons below to print your confirmation statement or generate a pdf file.' At the bottom, there are 'Download', 'Email', and 'Print' icons. A red callout box with an arrow points to these icons, containing the text: 'Download, Email, or Print your confirmation statement.'

If you are completing your New Hire enrollment, you will then enter your Life Insurance beneficiaries by clicking on “Next: Review Beneficiaries”.

You must select or decline all coverages before moving on

Notes

Proceed through the enrollment wizard to make your intended changes.

The enrollment wizard has the same look and functionality as the New Hire and Annual Enrollment processes.

Review your personal information to ensure it is correct. If any changes need to be made, please contact People Services.

Enter dependent information, if necessary. A Social Security Number is required for any new dependent. If you are entering a birth life event, you may enter a dummy number for your newborn and later edit the dependent information once you receive the actual number.

Make sure to certify the new dependent, if necessary by clicking on “View Summary”.

Dependent Certification

Click “I certify” to certify each dependent. If you do not certify each dependent, you will not be able to click on their name and include them in each benefit. Click on the arrow in the blue box to proceed and then click “Save” on the next screen.

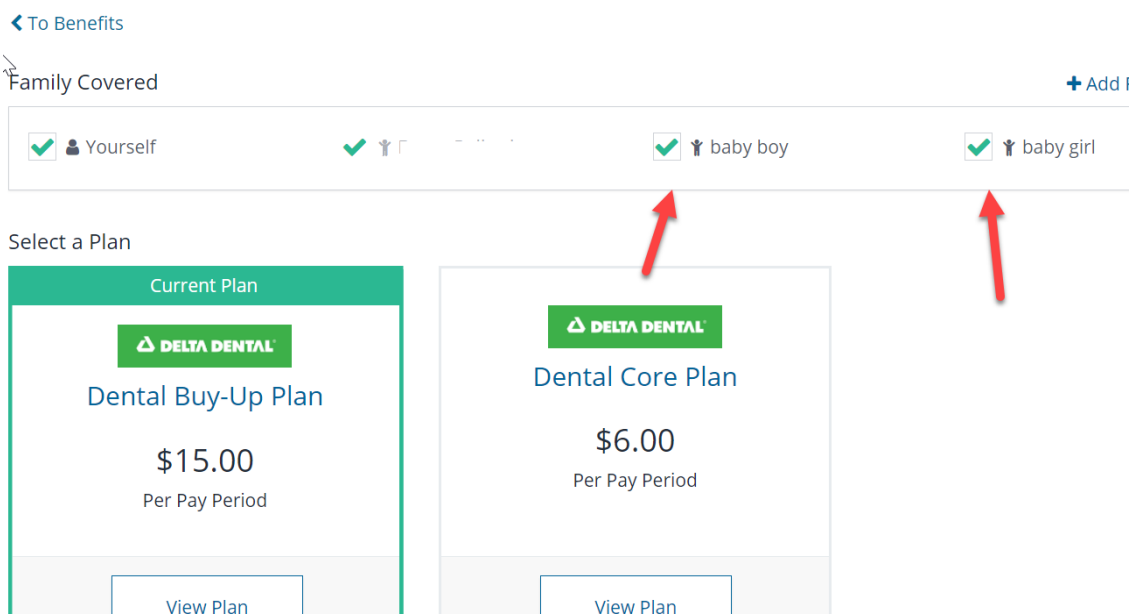

You will see “View or Change Plan” next to the benefits you are eligible to change per the Plan rules for your chosen Qualifying Life Event. Scroll down and continue to click on “View or Change Plan” for each benefit you want to add/change.

Dental

When on the actual benefit screen, make sure to check each dependent’s box to add the dependent to that plan. Select a plan by clicking on “View Plan”.

Make sure your coverage tier is correct and click on “Update Cart”.
